

Steps to receive HUGG to our wallet

1. Go to <https://interstellar.exchange>
And then ---

2. Click at Login/Signup
And then ---

The screenshot shows the Interstellar website homepage. The URL bar displays <https://interstellar.exchange>. The page features the Interstellar logo and navigation links for 'Login/Signup' and 'Ma'. Below the main heading, there is a sub-heading 'Digital Currency Exper' and a brief description: 'Easily Create, Send, Receive, Swap and Trade Digital Currencies and other Tokenized Assets at the speed of light. Availa on the go.' An illustration of people working at computers is visible at the bottom of the page.

3. After that, will display this screen then input the password the same as last manual for the example Ww04042540

4. Then click at Login to continue ---

The screenshot shows the 'Session Password' login page on the Interstellar website. The URL bar displays <https://interstellar.exchange/app/#/login>. The page prompts the user to 'Enter your password below to resume your session.' The password field contains the text 'Ww04042540'. There is a blue 'Login' button and a 'Forgot Password?' link. The page also includes links for 'Session Login' and 'Ledger Login'.
